

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Read more about Early Journal Content at <http://about.jstor.org/participate-jstor/individuals/early-journal-content>.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

CLUBBING OFFER

The following rates are made in connection with Dr. Grout for a year's subscription to the Bryologist, or for membership in the Sullivant Moss Society, if remittance is made at one time, in advance.

Moss Flora of N. Y. City and Bryologist, \$2.10; with membership, \$2.35.
Mosses with Handlens, Ed ii, and Bryologist, \$2.75; with membership, \$3.00.
Mosses with Handlens and Microscope and Bryologist, \$7.50; with membership, \$7.75.

All remittances and communications should go to

EDWARD B. CHAMBERLAIN - - 18 WEST 89TH ST., NEW YORK

SETS OF THE BRYOLOGIST

ONLY ONE complete set of THE BRYOLOGIST remains unsold. Other sets will lack parts of Volume three. Volume six also cannot be sold separately. The moral, for those who wish sets, is obvious.
